Barney Campbell and his street sprinkling brigade is out, much to the comfort of the merchants, as well as the street corner lounge. Among the latter class of gentlemen the complaints had become very loud and the work commenced none to soon for them.

The new buildings on East Main street being erected by Adam Baum and Drake & Bigstaff, will make a handsome block, they are being built with a frontage of stone and will add greatly to the appearance of the street, besides furnishing some elegant store rooms.

C. Daniel & Co., distillers, began making copper distilled whiskey at their distillery at Kiddleville on Monday last. Their capacity is about 30 gallons per day and the quality of the article made is said to be, by those who are judges, to be excellent.

R. M. McKee had the misfortune to lose his tobacco barn on Tuesday night. There was about 4,000 pounds of tobacco in the barn belonging to Mr. McKee and to John Barnett, but on this there was no insurance. Mr. McKee had \$400 insurance on the barn.

Reports come to us from every direction of immense damage done to fruits, vegetables and growing crops by the late frosts. Tobacco is not hurt so far as heard from, but in nearly every locality reported there are heavy losses to peaches, apples, grapes, and even wheat and corn.

The convenient office being built for the accommodation of the jailer is nearing completion and will prove quite a help to Mr. Tipton in the transaction of the business connected with his position. The large boiler for heating the Court-house arrived last week and is being placed in position.

Arrangements are about perfected to build a mile kite-shaped track near the city on the lands of the Mt. Sterling Improvement Company, and those of Thos. D. Jones. The proposition is to build a track second to none in the State, and the project has the hearty endorsement of all our stockmen. The track as laid out by expert engineers is certainly a magnificent one, and every inch of it can be seen from where the Grand Stand will be located. A meeting to perfect an organization will be held to-night, and at that time estimates etc., will be submitted, and books opened for the subscription of stock to-morrow morning.

When you attend the Louisville Convention, stop at the Fifth Avenue Hotel.

Ask for Julian's 25c box paper.

In almost every neighborhood throughout the west there is some one or more persons whose lives have been saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy, or who have been cured of chronic diarrhoea by it. Such persons take especial pleasure in recommending the remedy to others. The praise that follows its introduction and use makes it very popular. 25 and 50 cent bottles for sale by T. G. Julian.

Some body is going to get left before the Convention adjourns.

Mr. R. M. McKee, a citizen of this county, met with a severe accident the 6th day of March while cutting wood, by a piece flying up and striking him in the right eye, severe pains and inflammation followed and the sight of the eye was reduced to a mere perception of light and shadows. He was under the care of Dr. Guerrant of this city one month, and was advised to go to Cincinnati. He went to Covington to consult with his old physician, Dr. Riffe, and was by him directed to Dr. James H. Buckner, of Cincinnati, who, by the way, is an old Kentuckian, and one of the leading oculists of Cincinnati. When he waited on Dr. Buckner he told him the blow had caused a cataract, and which by a delicate surgical operation removed. The operation was successful and Mr. McKee has been restored to good vision, and thinks as soon as the eye is ready for a cataract glass he will be able to see as well as ever.

**JOHN ROBINSON'S SHOW.**

A Gorgeous, Sumptuous and Impressive Augmentation.

To speak of the merits of John Robinson's Great World's Exposition is merely "love's labor lost" with the people of this nation. There is not an amusement-lover on the continent but what is fully cognizant of the fact that it is now and ever has been the best among the best. Everybody does not know, however, that during its last winter's vacation the show has received an augmentation so vast and so important as to dwarf by comparison even its own great exhibitional excellence. We allude to the grand, gorgeous and sublime biblical spectacle of "Solomon, his Temple and the Queen of Sheba," in which innumerable people find active participation, and which is replete in grand scenicographic effects, typical reproduction of biblical personages and events, profuse in pageant and processional features, lavish in entrancing ballets and terpsichorean diversions, and rich in trappings and appointments, requiring for its production the largest stage ever constructed, and conspicuously portraying such sacred events, scenes and incidents as the Judgment of Solomon, Arrival of the Queen of Sheba, the City of David, the Palace and Temple, Court of King Solomon's Temple, the Walls and Towers of Jerusalem, Solomon's 700 Wives, the Sacred Ark of the Covenant, the Great Ivory Throne, Procession of War Chariots, Slaves Bearing Incense, lovely Cresset Dancing Girls, martial and courtly Parades and exciting Chariot Races. This eminently moral, historical and mind-elevating spectacle will commend itself to every lover of the sacred and beautiful.

The Robinson Exposition, with its sublime spectacular accession, is to exhibit in Mt. Sterling Monday, May 18.

When Baby was sick, we gave her Castoria.

Louisville Tobacco Market, Furnished by Glover & Durrett—Louisville Tobacco Warehouse.

Sales on our market for the week just closed amount to 2,515 hbls, with receipts for the same period of 1,057 hbls. Sales on our market since January 1st, amount to 60,316 hbls. Sales on our market of the crop of 1890 up to date 39,338 hbls.

The characteristic feature of our market this week, has been its irregularity, necessitating an unusually large per cent. of rejections, at the same time, some remarkably fine sales have been made of the good and fine grades of leaf, and all grades with color have been higher in the past few days than at any time during the year. The following quotations fairly represent our market for Burley tobacco:

Trash, (dark) or damaged tobacco, \$2.00 to 3.00; color trash, \$3.50 to 8.00; common lugs not color, \$3.50 to 5.50; color lugs, \$6.00 to 12.00; common leaf, \$7.00 to 11.00; medium to good leaf, \$11.00 to 16.00; good to fine lugs, \$16.00 to 22.00; select wrappery tobacco, \$22.00 to 27.50.

Bob Cassidy has sued the Lexington Press for libel, laying his damages at \$10,000, so we are informed. The suit grows out of a publication in the Press last week, in which it was said, that Bob had a horse in his possession which had been stolen, and which he claimed he had bought. Bob established beyond question that he had come into possession of the horse honestly, and was naturally angry because the paper intimated he might have acquired it dishonestly. Hence the suit.

For Sale.

Death of Clem Masterson.

Macon lost one of her oldest and most substantial citizens last night. Mr. Clem Masterson, a well known citizen and a man of considerable financial means, died suddenly at his home, corner Third and Walnut streets, at 10 o'clock last night.

The direct cause of Mr. Masterson's death was heart failure, although he had been in feeble health for some time, and a few weeks ago had a severe spell which came near resulting in death.

Mr. Masterson was a Kentuckian by birth, but had resided in Macon for nearly forty years, conducting a large lively business here. He was one of the best known stable men in the State.

Mr. Masterson served several terms as alderman, and did splendid work for the city in that capacity. During his later years he has been retired from business and public life.

Many years ago he was elected by a large vote to the office of Sheriff of Bibb county, which position he filled with great satisfaction.

He was a man of genial and generous nature, and was liked by all. His seventy-two years were well spent, and his life was a success. He leaves two grown children.

The funeral will take place this afternoon at 3:30 o'clock from the residence. He will be buried with Masonic honors.—(Macon Ga.) Evening News, May 4.

Mr. Masterson was born and raised near Somerset, in this county. He has a large circle of friends and kinsfolk here who will be grieved to learn of his death. The deceased was a cousin of Col. Thos. Johnson, and had been connected with him often in business enterprises.

The Colonel says of him "he is one of the few men for whom I endorsed heavily and often that did not cost me much money. Though I backed him for years, I never lost a cent by him. He was a fine business man and an honest one."
